HOW TO MAKE A RETURN ?

1 - Print the return form

It was provided to you by the support service during your discussions, on the Helpdesk platform.

2 – Fill the form

Fill in as precisely as possible the information concerning the default of the product (s).

Note that the address indicated on the form will be the one used to return the products to you. It is therefore important to check carefully that there are no errors.

3 – Pack the products

Products must be carefully packed in their original packaging or in suitable packaging to avoid damage during transport.

Attach with the products, the return form.

4 – Package identification

Indicate legibly on the package the return address completed with the RMA number :

VOGO – Vokkero
RMA xxxx
